

## Davey

Jay Ferguson

Well, Davey  
Won't you listen, Davey?  
Don't you let that woman make you crazy  
Oh, Davey  
Don't you be the fool now  
Don't you know that her love can be so cruel now?

You've been a brother and a friend of mine  
I hate to see anybody burning  
She's so much younger but you're far behind  
And I just don't think  
I just don't think you're learning

Davey  
She's a witchy lady  
Don't you let that woman make you crazy  
Oh, Davey  
Well, I could be wrong now  
But the spell that she's got on you is strong now

Like all the lovers that she's left behind  
You'll end up yelling at the moon  
You're just another in a long, long line

And the sun goes down  
The sun goes down so soon

Day, day after day  
You can't stay away  
Day, day after day  
You can't stay away

What does she tell you when you're all alone?  
How does she hold you when you're dancing?  
When it's all over can you still come home?  
Are you running out  
Running out of chances?

Well, Davey  
Won't you listen, Davey?  
Oh, Davey  
Won't you listen, Davey?  
Ooh, Davey  
She's a witchy lady  
Don't you let that woman make you crazy  
Oh, Davey  
Won't you listen, Davey?  
Don't you let that woman make you crazy
