Happy Too

Jay Ferguson

Whenever you're ready
That's when I'm ready
Whenever you're ready
I'm ready too

Whenever you're happy
That's when I'm happy
Whenever you're happy
I'm happy too
Happy too
Happy too

Whenever you're happy
I'm happy too
Happy too
Happy too
Whenever you're happy
I'm happy too

Whenever there's bad times
We'll steal the good times
Whenever there's bad times
Let the good shine through

I'll always love you
If you always love me
I'll always love you
'Cause you love me too
Happy too
Happy too

Whenever you're happy
I'm happy too
Happy too
Happy too

Oh, yeah
Whenever you're happy
I'm happy too
Happy too
Happy too

So, whenever you're happy
I'm happy too
