

## A Letter to Lulu-Mae

Jay-Jay Johanson

I decided one day to write you a letter and tell you how much I  
care  
And about how it feels when you walk beside me and the joy of b  
eing a pair  
I remember the day we got together I remember it like today  
I was struck by lightning that's why I'm writing a letter to lu  
lu-mae

You were standing on the porch as I drove up the driveway as lo  
vely as one can be  
You would make any man so grateful of living and you choose a m  
an like me  
Though I work all day and sometimes all evening I never had no  
complaints  
We've been friends though fighting that's why I'm writing a let  
ter to lulu-mae

I decided one day to write you a letter from my tent here in my  
platoon  
You send me a poem  
Quite hope I'll see you soon  
From your mr. lonely  
The one and only  
A letter to lulu-mae
