

Autumn Winter Spring

Jay-Jay Johanson

Oh please, can anybody help me This ain't the way it's supposed
to be Oh no

A cold breeze is blowing Makes my soul freeze The door is locke
d and there's no key Oh no, oh no

We're passing through autumn, winter and spring Emotions have c
hanged when summer begins We're passing through autumn, winter
and spring Still fighting against the phantoms within

Branches, each autumn see them loose leaves We're closer than w
e pretended to be Oh no

Lately You cry out in your sleep The bed room's cold in times l
ike these Oh no, oh no

We're passing through autumn, winter and spring Emotions have c
hanged when summer begins We're passing through autumn, winter
and spring Still fighting against the phantoms within

Oh please, can anybody help me This ain't the way it's supposed
to be Oh no

We're passing through autumn, winter and spring Emotions have c
hanged when summer begins
