Liar

Jay-Jay Johanson

You tell me that you're lying But I know it's not true You say you didn't do it But I know it was you If I tell you that I lov e you Would that make me a liar too You tell me that you're lyi ng But I know it's not true You say you didn't do it But I know it was you If I tell you that I love you Would that make me a liar too
