

Quel Dommage

Jay-Jay Johanson

Quel dommage
This was supposed to last forever
I used to say it's now or never
Quel dommage

Quel dommage
I never meant to cause you sorrow
If it's gone today there's no tomorrow
Quel dommage

I could be wrong I could be right
Oh baby, don't turn on the lights
You look so gorgeous in the light of the moon
Stay until noon, my love

But in the dark you went away
All I can do now is to pray
It seems that all you ever left in my room
Was me alone again
