

2nd THOTS

Jay Park

At first I didn't see it girl
Couldn't see past that smile and that fat ass
You said you don't party much
Acting like you came straight outta math class
Said you never met someone like me
Someone like me, baby baby
I was caught up in your honesty, your honesty, baby baby
But then I started asking' about you
I found out some things about you
Girl tell me that this isn't true, oh no no no
I heard you know some of my crew
They told me the things that you do
And I really hate to admit it but

Oh girl I change my mind
No girl you ain't my type
I seen this shit before
Girl you ain't no surprise
Oh girl I change my mind
No girl you ain't my type
I seen this shit before girl you ain't no surprise
So I'm having second thoughts about you, you you
Thoughts about you, you you
Thoughts about you, you you

Girl I really want it, but the homies said
They saw you at industry parties
Dressing half naked girl working that body
Hanging 'round VIP
Only talking to the ones poppin' bottles
And who look like they be ballin'
You said you didn't know who I am

But I see you followed me on Instagram
Girl I see you scheming with a f*cking plan
Tryna take my dollas like you Uncle Sam
And I almost fell for it
But the homies let me know, let me know about you
So Imma ignore it
Stay clear outta view, stay clear away from you
Can't ride in my foreign
No first class trips, no shrimp with the dip
This could've been you
Could've all been you
Could've all been you, but

Oh girl I change my mind
Ooh girl you're not my type
I seen this shit before
Oh girl you're no surprise
Oh girl I change my mind
No girl you're not my type
I seen this shit before girl you ain't no surprise
So I'm having second thoughts about you, you you
Thoughts about you, you you
Thoughts about you, you you

You looking so good girl
I really wish you weren't, but
The truth still is girl
You a fake ass hoe
You a fake ass hoe
We could've been together
I would've f*cked you so good girl
But it will never happen cause
You a fake ass hoe
You a fake ass hoe
You a fake ass hoe
You a fake ass hoe
