

Alone Tonight

Jay Park

(Woogie on and on)
I don't wanna be alone tonight
So can you come with me
I don't wanna be alone tonight
Can you keep me company
I don't wanna be alone tonight
So can you come with me
I don't wanna be alone tonight
Can you keep me company

I don't wanna be alone tonight (No)
Just got done with a show tonight (Makin' makin' money)
So much goin' on in my life
I don't know if I'm wrong or right
I got mof*ckas prayin' prayin' I fall
Women women that wanna take my dough
But I'm focused focused I don't notice notice
I'm still glowing, glowing, look at me ball
Ballin' like Lebron, I'm the king
I won't ever quit I put that on everything
My name's known worldwide
But I still need someone by my side
Oh baby are you down to ride
Lemme know

I don't gotta lotta time, cause
I don't wanna be alone tonight
So can you come with me
I don't wanna be alone to night
Can you keep me company
I don't wanna be alone tonight
So can you come with me
I don't wanna be alone tonight
Can you keep me company

Like Kanye like we got none to eat
Time be flying by I'm the kinda guy
Riding for my side it's a homicide
When I'm on the mic they just cry and cry
We couldn't see eye to eye if you were goliath height
I'm all the way the up oh

It's that turn down
Sip some Henny in yo room now
Netflix is soundin' real coo now
Resting my head right on you now
I don't wanna be alone tonight
