It's you and I you and I you and I
Let's get lifted and meet in the sky
Fuck a keyboard oh girl you're my type
Let's shoot a movie all night
Cruising in the drop top
Girl show me your tatas
We some kungfu masters
Kicking it kicking it
Hotter than Sriracha
Fancy like a lobster
Soju fully stocked up
Sipping it sipping it

Look at the team we shining
Ben Baller did the chain
They call me king your hinus
Don't fuck up my fung si
Baby girl lets run a way
Bali Jeju in a day
Lord please just keep us safe
Board the plane
Taking off we taking off taking off
These haters hating
we shake it off shake it off
We breaking bread break it off break it off
We popping tags we don't care the cost
Fucking shit up leaving
a trail open your eyes you'll find it
H1GHR the gang AOMG
yeah it's the perfect timing
Shit about to blow bout to hit the fan
Seattle 2 Seoul yeah I'm feeling like the man

It's you and I you and I you and I
Let's get lifted and meet in the sky
Fuck a keyboard oh girl you're my type
Let's shoot a movie all night
Cruising in the drop top
Girl show me your tatas
We some kungfu masters
Kicking it kicking it
Hotter than Sriracha
Fancy like a lobster
Soju fully stocked up
Sipping it sipping it

Sipping it sipping it now
I be giggin' I'm giggling
Yeah I be swimming in women
Feel like my blessings infinite
So I thank God I thank God one time
This is my world
I'm living my best life yeah
We taking off we taking off taking off
These hater's hating
we shake it off shake it off
We breaking bread break it off break it off

We popping tags we don't care the cost

We don't care the cost
And I don't know where we going
But where ever we go
We looking fly mothafucka yeah

It's you and I you and I you and I
Let's get lifted and meet in the sky
Fuck a keyboard oh girl you're my type
Let's shoot a movie all night
Cruising in the drop top
Girl show me your tatas
We some kungfu masters
Kicking it kicking it
Hotter than Sriracha
Fancy like a lobster
Soju fully stocked up
Sipping it sipping it
