

## Feature

Jay Park

I need a Cha Cha beat boy

Alright alright baby you're the baddest  
And you got me worked up ready to be a savage to ya  
I've been waiting patiently for you to take it off  
I know you didn't come just to drink all of my cabernet  
Hope what's on my mind is on your mind  
Just let it marinate  
Don't wanna waste no time  
I know I wanna be inside, oh yeah  
What I wanna do yeah  
Wanna grab you by your booty  
Hey girl let's shoot a movie  
Baby you know

Once we get started I can go on and on  
And you'll be hitting all them high notes featuring on my song  
And it's like duh duh duh doo  
Me and you are music making duh duh duh doo  
Sexual collaboration  
Harmonizing with your body  
This gon' be your favorite song

[Cha Cha Malone:]

Alright alright deeper than 10,000 leagues  
But I'ma take you higher, higher than them Cali trees  
I'mma be the one make you forget 'em all  
All these niggas try to 1-up me  
But you don't take them calls  
They ain't getting' to you nah  
No feature from you nah  
You're singing only for me yeah  
And you know I feel like a winner  
Every time I'm on you babe, on you babe  
Oh yeah  
What I wanna do yeah  
Wanna grab you by your booty, your booty  
Lay it on me lay it on me, lay it on me

Once we get started I can go on and on  
And you'll be hitting all them high notes featuring on my song  
And it's like me and you are music making  
Sexual collaboration  
Harmonizing with your body  
This gon' be your favorite song
