

Foreign

Jay Park

Foreign whips ain't foreign to me no more
Foreign chicks ain't foreign to me no more
Only thing that's foreign in my life
Is someone to love
Someone to love
Someone to love
Someone to love
Someone to love

I was at the club like every week
Couple model chicks sittin' next to me
One from Russia
One from Beijing
I take 'em to the telly and I do my thang
Oh Lord, oh Lord
It got old quick
Then I saw shawty on the gram
She was so thick
Oh no, watch me losin' focus
Feenin' for that ass so extra like a coke head

Girl I'm sorry I don't miss you
I don't really wanna kiss you
I don't wanna hold your hand
I can't be your man
Hope you understand
I just wanted one night
One night, one night
To get inside them pants
Oh Lord

Girl I'm sorry I don't miss you
I don't really wanna kiss you
I don't wanna hold your hand
I can't be your man
Hope you understand
I just wanted one night
One night, one night
To get inside them pants
Oh Lord

Foreign whips ain't foreign to me no more
Foreign chicks ain't foreign to me no more
Only thing that's foreign in my life
Is someone to love
Someone to love
Someone to love
Someone to love
Someone to love

I need someone just like a genie
I can wine and dine
And I need someone
I can come home to
You might be the one
That can change my life, and hopefully
I can one day say to you

These words, these words, these words
Lil mama, yeah, I miss you
Yeah, I really wanna kiss you
Yeah, I wanna hold your hand
Wanna be your man
Hoping that I can
I just need one night, one night, one night
Girl, let me have this dance, come on

Foreign whips ain't foreign to me no more
Foreign chicks ain't foreign to me no more
Only thing that's foreign in my life
Is someone to love
Someone to love
Someone to love
Someone to love
Someone to love
Someone to love
Someone to love
Someone to love
Someone to love
Someone to love

I got a few millie in the bank
Written just about everything but it tanked
Can't buy love you feelin', it's soul
I wanna do the Instagram couple goals
Foreign whips, foreign chicks
I give 'em the foreign dick
Well, I ain't feelin' like a sucker though
I want the girl that I never wanna leave alone

Someone in love
What I'm searching for
Someone to love, yeah
Someone to love, yeah
Someone to love, yeah
