

Gimme A Minute

Jay Park

Gimme that
Impossible to miss when ya enter
Anywhere
I ain't here to break your heart
Ohh
The world was made for you and I to exist
Ohh
Girl, you got somethin' I just can't resist
Don't get shy with me, need your attention
Gimme your light
Baby I need

Just gimme a minute (a minute)
I'll make you fall in love with me
The feelings (the feelings)
It's burnin' hot
Just gimme a minute (a minute)
Tell me what you wanna do
Forgive me (oh no)
If I'm comin' on too strong
I want you to
Just gimme a minute

I need you that
Just gimme a minute
Gimme a chance
Just gimme a minute
Just gimme a minute
Just a minute

I thought guys like you were predictable
But you give different vibe
Can you take me higher?
Show me that you're not a liar
And I might just give you all
But I ain't in a hurry babe
Woo
Until I taste it all
Your secret head to toe
I don't want to talk about new
Don't rush it with me
Keep your composure
Baby (woo)

Just gimme a minute (a minute)
I'll make you fall in love with me
The feelings (the feelings)
It's burnin' hot
Just gimme a minute (a minute)
Tell me what you wanna do
Forgive me (oh no)
If I'm comin' on too strong
I want you to
Just gimme a minute

I need you that
Just gimme a minute

Gimme a chance
Just gimme a minute
Just gimme a minute
Just a minute

Break it down
Just gimme a minute
I'll make you fall in love with me
The feelings
It's burnin' hot
Just gimme a minute
(Just gimme a minute)
I'll make you fall in love with me
(Make you fall in love with me)
The feelings (the feelings)
It's burnin' hot
Just gimme a minute
(Just gimme a minute)
Tell me what you wanna do (what you wanna do)
Forgive me (oh no)
If I'm comin' on too strong

Gimme that gimme that
Tell me right now
I want you to
Just gimme a minute
Gimme that gimme that
Tell me right now
I need you that
Just gimme a minute
Gimme that gimme that
Tell me right now
Gimme a chance
Just gimme a minute
Just gimme a minute
Just a minute
