"Yeah
DJ Wegun, Wassup
AOMG"

I made it made it
Like construction boy
I paved the way
I'm cakin' cakin' fuck you
I'm gettin' paid today
And every other day matter of fact
Pat on the back
If you made the shot
Then I'm the one who made the play
This right here ain't
For K-Pop fans No K-Pop dance
Shots in the stomach AR-AB
But no bullets man
I'm talkin' bout that dark liquor
Hard spitta' broad getta' success
I'm gettin' to that far quicka'
This that moment of clarity
Mic burstin' into flames
Like I filled it with kerosene
Life is a pretty bitch
And I'm askin' where is she
Tell me please so I can find her
And then ask her to marry me
Yeah This legendary flow call it
Pac call it Jov
Yeah I'm bussin' down yo
Do' sucka' how you wanna go
Eenie Miny Moe
Pick and choose either way
You lose when I'm in the booth
Have
These rappers shakin'
In their boots
