

We Be Wildin

Jay Park

Who be wildin', who be wildin'
We be wildin', we be wildin'
Star's aligning is the night to
Fuck shit up the assignment
Energy astronomic
You a goddess I'm Adonis
We the hottest
We not on a plane but take off like a pilot

Who be wildin', who be wildin'
We be wildin', we be wildin'
Star's aligning is the night to
Fuck shit up the assignment
Energy astronomic
You a goddess I'm Adonis
We the hottest
We not on a plane but take off like a pilot

Take off like the Migos
Tequila Casamigos
Chain like 50 kilos
Take shit like I'm Debo
Chosen like I'm Hebrew
Yes her panties see through
Uncommon like a emu
U so common call you the flu
Shout outs to the Far East
Flexin' in a rari
Future old school like Atari
Welcome to the party
Rave it up with Tron
Dress up like It's prom
Keep it goin' never stop
Take its h1ghr that's on GOD
Just a couple yellow
Boyz break-in boundaries
Goin' harder than bitch bite
Down on the mouth piece
Dripping everywhere ooh
Someone get a towel please
S tatted on my body means
I rep the town G

Who be wildin', who be wildin'
We be wildin', we be wildin'
Star's aligning is the night to
Fuck shit up the assignment
Energy astronomic
You a goddess I'm Adonis
We the hottest
We not on a plane
But take off like a pilot

Who be wildin', we be wildin'
□□ □□□ □ □□□
