

## Boo

Jay R

Ooh, you're so beautiful, incredible, so original  
I would do anything to be with you, to stay with you  
My love for you is endless just as long as I can breathe  
My love is ever-flowing, ever-knowing how deep  
I love everything about you  
There isn't anything I wouldn't do for you, boo

I love you so much I don't know  
How to contain, stay on the run  
Baby girl, you are my world  
Even though I know you are beside me  
It feels like you're so far away, I wanna be  
Inching closer to you in every way, every day

Boo, you're so boo-tiful, not usually, this visual  
For you I would never switch, you are my click, you ain't no basic  
No one can compare to the kind of woman you are  
You're such a ride-or-die, a sexy model superstar  
I love everything about you  
There isn't anything I wouldn't do for you, boo

I love you so much I don't know  
How to contain, stay on the run  
Baby girl, you are my world  
Even though I know you are beside me  
It feels like you're so far away, I wanna be  
Inching closer to you in every way, every day
