

# Eyes Only For Me

Jay R

Take, take a good look baby  
Ya messing with my time  
All you do is play with my mind  
Why you, why you  
Wait for my que  
When I don't ask for too much

I need more than just a late night  
Candles lit under the moonlight  
Why I always gotta say something  
On your phone can never stay focused  
Put your work in, gotta aim for it  
Taking shots but are you game for this  
Don't wanna force it

All that I need is those eyes oh  
Only for me  
Can you try more  
Don't understand for the life of me  
Won't you try for me  
Don't give up, that's all I need

Didn't know it was a competition  
Keeping score of all the dirty dishes  
Could have been solved  
With a conversation  
Don't take much for ya  
Show my love for you  
Never enough  
Why don't you trust, oh no

Say you need more then a late night  
Might not always get the time right  
Why you always gotta say something  
Jumpin' high but still you stay frontin'  
Put in work, you gotta aim for it  
Taking shots, I got the game for this  
I'm just tryna make this right

Got those eyes oh  
Only for you  
I can try more  
Don't understand for the life of me  
Don't see what I see  
Don't give up, that's all I need

I've been waiting on you, baby  
Never told me the rules it's been  
All about you  
If it's on me, it's on you too  
Saying the same old thing  
I've always been open  
Baby, don't force it

Tanging ikaw lang ang ikaw lang  
Ikaw lang ang matatanaw ko  
Wag kang susuko mahal ko

Ang kailangan ko  
Don't give up  
That's all we need

Tanging ikaw lang  
Ikaw lang ang matatanaw ko  
Wag kang susuko mahal ko  
Ang kailangan ko  
Don't give up  
That's all we need

Ikaw lang ang ikaw lang ko  
Tanging ikaw lang  
Tanging ikaw lang  
Tanging ikaw lang
