

# New Day

Jay R

Hey yo, this is going out to everybody going through something  
Alamo na, it's a New Day

It's a New Day  
So i'm gonna celebrate and let go of all the pain  
'Cause that was yesterday  
It's a New Day  
It's a New Day  
It's a New Day  
It's a New Day

So many problems in the world today  
I just can't let all the negative energy get to me  
'Cause I know I am blessed that I'm alive  
And I will keep my eye on the prize

I know you feel like it's over  
I'll show you how to move forward  
Just take it step by step by one day at a time  
Just take it step by step and the sun will start to shine

It's a New Day  
So i'm gonna celebrate and let go of all the pain  
'Cause that was yesterday  
It's a New Day  
It's a New Day  
It's a New Day  
It's a New Day

I got a whole lot on my mind everyday  
And I might say it but I'm not OK  
But still i'm gonna smile and I'm a show face  
I won't let the drama keep me from my dreams  
'Cause I'm a keep my head up high  
Yes I'm a keep my head up high  
And I won't ever let my pride  
Get in the way of all my strides, yeah  
The past is the past we can't change that  
Toxic relationships escape that  
Destructive cycles yeah we gotta break that  
Authenticity you can't fake that  
People putting you down yeah I hate that  
But take all your struggles and embrace that  
We making our moves yes ASAP  
And today is the day that I say that

It's a New Day  
So i'm gonna celebrate and let go of all the pain  
'Cause that was yesterday  
It's a New Day  
It's a New Day  
It's a New Day  
It's a New Day

I know you feel like it's over  
I'll show you how to move forward  
Just take it step by step by one day at a time

Just take it step by step and the sun will start to shine

It's a New Day  
So i'm gonna celebrate and let go of all the pain  
'Cause that was yesterday  
It's a New Day  
It's a New Day  
It's a New Day  
It's a New Day
