

# No Pressure

Jay R

Open the door for ya  
Make sure you're comfortable  
Where do you wanna go  
We could just take it slow  
Take you to paradise  
I'll give ya whatcha like  
Girl, whatcha like

No pressure  
I'm down  
To wait  
For you  
No pressure  
I'm down  
To wait  
For you

I don't really do this type of thing  
Girl, you got me weak on my knees  
I don't really do this type of thing  
Girl, you got me

My girl, you so beautiful  
Down on one knee for ya  
Be my baby, tonight  
Don't get me wrong, i'll wait  
Tomorrow's another day  
I'll be right here for life

No pressure  
I'm down  
To wait  
For you  
No pressure  
I'm down  
To wait  
For you

I don't really do this type of thing  
Girl, you got me weak on my knees  
I don't really do this type of thing  
Girl, you got me weak, oh-oh  
Girl, you got me weak

I'm lookin' into the future  
I see you and me together  
Never apart but goin' far  
Side by side  
I'll be your king  
You'll be my queen  
To be, but...

No pressure (no, no)  
I'm down (no, no)  
To wait  
For you  
No pressure (no pressure)

No pressure
