

# Beautiful

Jay Sean

Mmh-hm, alright  
Yeah, baby

What do I say now?  
What do I say now to ya?  
What do I do now?  
What do I do now to ya  
Just to prove my love?  
I've been known to do too much  
Oh no, I'm here

What do I say now?  
How do I keep myself from getting  
In my own way now?  
I don't wanna say  
Something wrong, yeah  
I might've tried it  
But there's no way to hide it

You're so damn beautiful (I don't get it)  
I'm outta my vibe, it's unusual (I don't get it)  
You made me feel like I'm new to love  
And I know it, I don't wanna feel it  
But I can't fight this feeling, alright

What do I say now  
What do I say now to ya  
What do I do now  
What do I do now to ya  
Just to prove my love  
I've been known to do too, too much  
Oh, baby

What did you do now  
What did you do to change me  
I go outta my way now  
Like I don't wanna do something wrong  
I can't seem to leave you alone, alone

You're so damn beautiful (I don't get it)  
I'm outta my vibe, it's unusual (I don't get it)  
You made me feel like I'm new to love (new to love)  
And I know it, I don't wanna feel it (oh no)  
But I can't fight this feeling (oh no)

'Cause you're so damn beautiful (you are) (I don't get it)  
I don't know why, you're so beautiful (here you are) (I don't get it)  
Got me out of my mind, not just physical (no, no)  
I know it, and all the ways I'm feeling (all the ways)  
I just wanna feel it, alright, yeah

(Ooh-ah, ooh-ah) you're so beau-, beautiful, yeah  
Girl, you're so, you're so, you're so beautiful

Oh, you're so damn beautiful (I don't get it)  
I'm outta my vibe, it's unusual (I don't get it)  
You made me feel like I'm new to love

And I know it, I don't wanna feel it  
But I can't fight this feeling (I can't fight this feeling)

'Cause you're so damn beautiful (know you are) (I don't get it)  
I don't know why, you're so beautiful (ay) (I don't get it)  
Got me out of my mind, not just physical  
And I know it (I know it), and all the ways I'm feeling (all the ways)  
I just wanna feel it (I can't fight this feeling), alright (na, na)

(I don't get it) alright  
(I don't get it) beautiful, beautiful  
I know, I know, I know, I know, I know  
Oh yeah, alright
