

Call My Name

Jay Sean

I know you're man, he only lance one round
He kisses your lips but never goes down, down
He's 'ain't enough with your needs
Wait me as soon as he leaves

Your way to sexy to not have your way
And when you want it you call my name

And she blowing me up from my self
Cause she don't wanna be home by her self
And wherever we do I won't tell, girl
If it's cool with you, it's cool with me

I'm on my way, I'm on my way
I'm on my way, I'm on my way
Yeah, I'm on my way, girl, I'm on my way
Girl, I'm on my way

Already know that you ain't got to leave him
And what we have it's a secret
And when he's back wants to get his turn
You can teach him all the things you learn

Your way to sexy to not have your way
And when you want it you call my name

And she blowing me up from my self
Cause she don't wanna be home by her self
And wherever we do I won't tell, girl
If it's cool with you, it's cool with me

I'm on my way, I'm on my way
I'm on my way, I'm on my way
Yeah, I'm on my way, girl, I'm on my way
Girl, I'm on my way
