

Down (Candle Light Remix)

Jay Sean

Ayyy.
Ohhhh.
Baby,
Baby are you down?

You oughta know,
Tonight is the night to let it go,
Put on a show,
I wanna see how you lose control,

So leave it behind cause we have a night to get away.
So come on and fly with me, as we make our great escape.

So baby don't worry, you are my only,
You won't be lonely, even if the sky is falling down,
You'll be my only, no need to worry,
Baby are you down down down down down,
Down, Down,
Baby are you down down down down down,
Down, Down,
Even if the sky is falling

Just let it be,
Come on and bring your body next to me,
I'll take you away,
I'll turn this place into our private getaway,

So leave it behind cause we have a night to get away
So come on and fly with me, as we make our great escape,
Ohhh ohh.

So baby don't worry, you are my only,
You won't be lonely, even if the sky is falling down,
You'll be my only, no need to worry,
Baby are you down down down down down,
Down, Down,
Baby are you down down down down down,
Down, Down,
Down.

Ayyy, downnnnnnnnnnn,
Baby the sky is falling down.

Baby don't worry, you are my only,
You won't be lonely, even if the sky is falling down,
You'll be my only, no need to worry,
Baby are you down down down down down,
Down, Down,
Baby are you down down down down down,
Down, Down,
Even if the sky is falling down
Down down,
If the sky is falling down.
