

# Down

Jay Sean

Baby, are you down? (5x)  
Down, down  
Even if the sky is fallin' down, down, down (oh)

You ought to know  
Tonight is the night to let it go  
Put on a show (show, show)  
I wanna see how you lose control

So leave it behind 'cause we have a night to get away (away, away)  
So come on and fly with me as we make our great escape (escape, escape)

So, baby, don't worry  
You are my only  
You won't be lonely  
Even if the sky is falling down  
You'll be my only  
No need to worry  
Baby, are you down? (5x)  
Down, down  
Baby, are you down? (5x)  
Down, down  
Even if the sky is falling down

Just let it be  
Come on and bring your body next to me  
I'll take you away (ay)  
Turn this place into our private getaway

So leave it behind 'cause we have a night to get away (away, away)  
So come on and fly with me as we make our great escape  
So why don't we run away

Down like she's suppose to be  
She gets down low for me  
Down like her temperature  
'Cause to me she's zero degrees  
She's cold, over freeze  
I got that girl from overseas  
Now she's my Miss America  
Now can I be her soldier, please?  
I'm fighting for this girl on the battlefield of love  
Got me look like baby Cupid  
Sending arrows from above  
Don't you ever leave the side of me  
And definitely, not probably  
And honestly I'm down like that economy (Yeah)

So, baby, don't worry  
You are my only  
You won't be lonely  
Even if the sky is falling down  
You'll be my only (oh)  
No need to worry (oh)  
Baby, are you down (5x) (oh, the sky is falling down)  
Down, down (oh, down)  
Baby, are you down (5x)

Down, down (oh, down) (the sky is falling down)  
Even if the sky is falling down  
Oh, oh, the sky is falling down
