

# Freeze Time

Jay Sean

Freeze time yeah  
Freeze time  
If I had my way I'd never stop falling for you (freeze time)  
For you oh (freeze time)

Hold on  
Hold on a little bit longer  
For a minute  
Cos this part  
Right here  
Is my favorite  
Before we get into it  
And I wish  
Oh I wish  
We could live in this moment together  
If I could  
Baby then I would  
Put time in a bottle  
For you

If I could freeze time  
I'd feel like I'm always falling for you  
I'm always falling for you girl, I  
If I could freeze time  
Then I'd hold onto each moment with you  
If only there was a way to

Freeze time  
Freeze time  
If I could have my way  
I'd never stop falling for you  
I'm falling for you  
Freeze time

Hold on  
Oh hold on  
To this feeling  
Cos you know you are my destiny  
If the world stops  
So what  
We'll keep it moving  
Cos I get to hold you next to me  
And I wish  
Oh I wish  
We could live in this moment together  
If I could  
Baby then I would  
Put time in a bottle  
For you girl

If I could freeze time  
I'd feel like I'm always falling for you  
I'm always falling for you girl, I  
If I could freeze time  
Then I'd hold onto each moment with you  
If only there was a way to

Freeze time  
Freeze time  
If I could have my way  
I'd never stop falling for you  
I'm falling for you  
Freeze time

If I could stop the hands of time  
Then I'd stay here  
Where everything's new  
And I'm still... you  
And our love

Said if I could freeze time  
I'd feel like I'm always falling for you  
Said if I could freeze time  
Then I'd hold onto this moment with you  
Show me the way to

Said if I could freeze time  
I'd feel like I'm always falling for you

Said if I could freeze time  
Then I'd hold onto this moment with you  
If only there was a way to

Freeze time  
Freeze time  
If I could have my way  
I'd never stop falling for you  
I'm falling for you

Freeze time  
Freeze time  
Freeze time  
Freeze time
