

Heartless

Jay Sean

Yeah, you've been acting kind of heartless, a hot mess
You love it when we fight, regardless
I like it when you're heartless, a hot mess
A little bit toxic, regardless
You know I love it

Mein chaunda rabb tenu mere karma ch likhe
Gallan gol mol nain naksh aa tikhe
Tere naal dekhe ne jo khaab nikke nikke
Roj roj aavan ni mein tere piche piche

Asee tha dil
I wish I never met her
Tenu dehta
Coz now I can't forget her
Asee tha dil
And every time I let her
Tenu dehta

Yeah, you've been acting kind of heartless, a hot mess
You love it when we fight, regardless
I like it when you're heartless, a hot mess
A little bit toxic, and you know it
You've been acting kind of heartless, a hot mess
You love it when we fight, regardless
I like it when you're heartless, a hot mess
A little bit toxic, regardless
You know I love it

You only come around and break my heart and say we're even
Say it then you hate it but you kiss me when you're leaving
Tere naal dekhe ne jo khaab nikke nikke
Roj roj aavan ni mein tere piche piche

Asee tha dil
I wish I never met her
Tenu dehta
Coz now I can't forget her
Asee tha dil
And every time I let her
Tenu dehta
