

# I Don't Know

Jay Sean

Ohh, oh no, oh no yeah  
It isn't just the way that you look  
And it isn't just the way that you touch  
And it isn't cause you lift me up  
When you know I'm running out of luck  
And it isn't just the way you smile  
And all your crazy ways that I love  
And even when we're lost for words  
Cause we don't have to talk too much

Cause I don't know, I don't know, I don't know  
What I would do without you  
Cause it ain't just the one thing girl,  
It's everything about you  
And it doesn't get any, any better than this  
It's the little things 'bout you that I know that I'd miss  
From the moment I saw you, couldn't resist  
And I don't think I'll ever get over you  
It doesn't get any better than this  
No, no, no, no

It isn't cause you saved my life  
And it isn't cause you helped me through  
It isn't cause you never lied to me  
When others never told the truth  
It isn't cause you got me mad  
Tho' you always got your points of view  
We don't always see eye to eye  
That's another thing I love 'bout you

And I don't know, I don't know, I don't know  
What I would do without you  
Cause it ain't just the one thing girl,  
It's everything about you  
And it doesn't get any, any better than this

It's the little things 'bout you that I know that I'd miss  
From the moment I saw you, I couldn't resist  
And I don't think I'll ever get over you ... No..  
It doesn't get any better than this

Yeah, yeah

Not over you and me  
Tell you Baby yeah

And I don't know, I don't know, I don't know  
What I would do without you  
It ain't just the one thing girl, no  
It's everything about you

And it doesn't get any, any better than this, no  
It's the little things 'bout you that I know that I'd miss  
From the moment I saw you, I couldn't resist ... No ...  
And I don't think I'll ever get over you  
It doesn't get any better than this
