

Now or Later

Jay Sean

(Now, now or later)
(Now, now or later)

Aye, yeah
We only got here from lying
I picked you instead of the truth
Our conscience had nothing on you
Didn't really think about it then
Fucking was always the plan
Ain't no fucking the plan up

I'm afraid, I'm ashamed
At the end of the day, I'm a man with mistakes (Oh yeah yeah)
You can say it's my fault, let me take all the blame
Does it make it ok? (Oh yeah yeah)

We can drag this whole thing out if you want it, I could
Break your heart, make it hurt just a little more
Give you whole just to take it
Rather not delish it
I ain't got that patience, it's now or later
(Now, now or later)
(Now, now or later)

Yeah
And I know that you're just gonna gonna cry and you're trying to fight it, you're trying to hide it (Oh yeah)
And I know that you feel like I used you, and your time was wasted, and I gotta face it

I'm afraid, I'm ashamed
At the end of the day, I'm a man with mistakes (Oh yeah yeah)
You can say it's my fault, let me take all the blame
Does it make it ok? (Oh yeah yeah)

We can drag this whole thing out if you want it, I could
Break your heart, make it hurt just a little more
Give you whole just to take it
Rather not delish it
I ain't got that patience, it's now or later
(Now, now or later)
(Now, now or later)
(Baby now, or later)

We can drag this whole thing out if you want it, I could
Break your heart, make it hurt just a little more
Give you whole just to take it
Rather not delish it
I ain't got that patience, it's now or later
