

# The One

Jay Sean

You be the one, one, one...

Baby switch your mind off, hey  
And let the music turn your light on, on... yeah  
And let it go girl believe me, me, hey...  
So you can be who you wanna be, be, yeah...  
Going to another time-zone  
Where nothing really matters but this moment  
Let's find a spot where we can be alone  
Until the break of dawn let's keep it moving oh...

Keep it moving till the morning  
Tonight is almost done  
Keep it moving till tomorrow  
I can almost see the sun

You be the one, you be the one  
You be the one, one, one  
You be the one, you be the one  
You be the one, one, one  
Girl you be the one, one, one...  
You be the one, one, one...

Baby get some dum, girl  
Let it take away your gham, girl  
Zindagi pal do pal ki hai  
Is pal bhi come to me, come girl  
Duniya teri diwaani hai  
Par mein bhi nahin kuch bhi kum, girl  
Music hai jaisay its my destiny  
Par mohabbatein hai mera karam, girl  
Jagmagate sitaare, tujhe chamkayein saare  
Le le baahon mein, jaan-e-mann  
I can almost see the Sun

You be the one, you be the one, yeah  
You be the one, one, one, one  
You be the one, you be the one  
You be the one, one, one, one  
Girl you be the one, one, one, one, one  
You be the one, one, one, one, one

Girl you are, the only one  
I feel your love, I feel your love  
Faasle nahi  
Simta kal jo tha abhi  
One, one, one... hey  
One, one, one... yeah  
One, one, one... c'mon  
One, one, one... hey

You be the one, you be the one  
You be the one, one, one...  
You be the one, you be the one  
You be the one, one, one, one  
Girl you be the one, one, one, one, one  
You be the one, one, one, one, one
