

# Under A Veil

Jay Sean

I hide our existence  
Under the table  
We're only inches apart  
How can I be with  
I can't inhale, you are the air in my lungs

Kept you my secret  
Loved you in doses I couldn't control from the start  
Paint you in pieces under a veil  
You don't know how precious you are

Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy  
I never meant to fall  
But we went too far  
More than a mistress you are

Don't wanna run, run  
Back into you  
But I'm gonna run, run  
Back into you  
Back into you
