

Why Cry

Jay Sean

No no n no no no
No no n no no no
Oo oohh ohhh ohhh

I see a face in the mirror that I just don't like
But I gotta keep tellin' myself that its alright
Cuz now I'm older theres no sense in me crying cos' mama said am not like yo
u
Used to havin people say that I talk like him
Dipped my pace and ma step so I don't walk like him
I don't know what I found inside of me but its got me over you

(Why cry)
Not a single letter or a single call from you
(Why cry)
I'm a stronger man now and its all because of you
(Why cry)
Cuz I cant wait on you no more
I made it here without you
So tell me why should I cry

Mama was the one who taught me how to ride my bike
And she was the one who taught me how to stand and fight
Mama was there for me, mama was my everything
When my first day of school would start
(where were you)
And when I first had a broken heart
(where were you)
Those were the times I most needed you
But thats what got me through
I'm so over you

(Why cry)
Not a single letter or a single call from you
(Why cry)
I'm a stronger man now and its all because of you
(Why cry)
Cuz I cant wait on you no more
I made it here without you
So tell me why should I cry

I no its hard
And were bound to make mistakes
But if theres anything I learned from you its not to runaway
(runaway)
Through all the trials and tribulations in my life
(I wont run)
(I will learn)
I wont cryyy
I wont cry

(Why cry)
Not a single letter or a single call from you
(Why cry)
Am a stronger man now and its all because of you
(Why cry)
Cuz I cant wait on you no more

I made it here without you
So tell me why should I cry

(Why cry)

Not a single call from

(Why cry)

Am a stronger man now and its all because of you

(Why cry)

Cuz I cant wait on you no more

I made it here without you

So tell me why should I cry

So tell me why should I cry

So tell me why should I cry
