You took my heart and my keys and my patience  
You took my heart on my sleeve for decoration  
You mistaken my love I brought for you for foundation  
All that I wanted from you was to give me  
Something that I never had

If I get another chance to

I mean who am I to hold your past against you?  
I just hope that it gets to you  
I hope that you see this through

I don't even know how to get this started  
All I really want is to get back on this  
And I know I've done you so wrong lately  
I want to fight back the if, buts and maybe  
But we won't find out way if you won't let me prove  
That I'm [?] and make it up to you  
So if we put in work then we'll know it's real  
Real baby  
So we have to...

Work, work, work, work, work, work
