

forget about it kid

Jay Som

She gets in my head
Like a hummingbird inside my brain
It makes me crazy when
I pull the chains, pull the chains across the floor

She's moving in, she's feeling comfy
But I'm stuck in a rut, waiting
And now you know, now you know, now you know, now you know
Open your eyes, open your eyes

If I try too hard
I'll never break those walls
A penny for her thoughts
Pull it in, pull it in, pull it in

She's moving in, she's feeling comfy
But I'm stuck in a rut, waiting
And now you know, now you know, now you know, now you know
Open your eyes, open your eyes, open your eyes, open your eyes
