

Peace Out

Jay Som

Point me to my chair
Make me sing that awful song
That you cannot bear
Still you take until it's gone

No hard
No hard feelings
No hard
No hard feelings

Want me to say the right words
Make you feel incredible
I'm selling myself short
Pulling teeth to make it work

No hard
No hard feelings
No hard
No hard feelings

Won't you try
Won't you try to forgive?
Won't you try
Won't you try to be anyone else?

Oh, I'd pace around the room
Make good friends with shiny floor
This apartment's so cold
Got no heat to fill the noise

Driving, no control
Want to crack the window, toss your phone
I'm in trouble tomorrow
We've got time to fake it so

No hard
No hard feelings
No hard
No hard feelings

Won't you try
Won't you try to forgive?
Won't you try
Won't you try to be anyone else?
Won't you try
Won't you try to forgive?
Won't you try
Won't you try to be anyone else?

Won't you try
Won't you try to forgive?
Won't you try
Won't you try to be anyone else?
Won't you try
Won't you try to forgive?
Won't you try
Won't you try to be anyone else?

Anyone else
Anyone else
