

## (We'll Meet In The) Yellow Forest

Jay & The Americans

Saw you in the cloud late one night  
Dancing for a living in blue light  
You took a glance at me, we overlooked it  
My eyes were searching for the secret  
As to whether we'd fit and I said

We'll meet in the Yellow Forest  
(We'll meet)  
There it will be where we both can see  
We'll meet in the Yellow Forest  
(We'll meet)  
There's a world that's made for you and me

Time went racing on as the month passed  
I caught you once again in your dance act  
Your attitude has changed, you smiled at me  
Now I can tell where we both should be

We'll meet in the Yellow Forest  
(We'll meet)  
(Yellow Forest)  
There it will be where we both can see  
We'll meet in the Yellow Forest  
(We'll meet)  
There's a world that's made for you and me

We'll meet in the Yellow Forest  
(We'll meet)  
(Yellow Forest, Yellow Forest)  
There it will be where we both can see  
We'll meet in the Yellow Forest  
(We'll meet)  
(Yellow Forest, Yellow Forest)  
There's a world that's made for you and me

We'll meet in the Yellow Forest  
(We'll meet)  
(Yellow Forest, Yellow Forest)  
There it will be where we both can see
