

Neon Lights

Jay Webb

Neon, neon, neon lights to get you gone
Gonna take some neon, neon, neon lights to get you gone

Well damn it, I done made a killin' off of speakin' my truth
Got me all up in my feelings from the shit that you do
My tears are fallin' like the ceilin' on this old tin roof
But the storm ain't startin' (Mm, yeah)
Girl, it's gonna take some neon, neon, neon lights to get you gone (Get you gone)
Think it's gonna take some neon, neon, neon lights to get you gone (Get you gone)
Yeah, I've noticed shit that we on, we on, we on ain't gon' last too long (We on, we on, we on)
Girl, it's gonna take some neon, neon, neon lights to get you gone (Get you gone)

Paid in all cash for the Chevy, I'ma push it to the floor tonight
Ridin' with me, hope you're ready for the time of your life
Hot and heavy, slow and steady in the back of the ride
I been dready, gettin' shitty on a dirt road tonight (Night)
With her on my mind (Mind)
Shootin' this whiskey, can't open my eyes
Wish you were with me to help get me by (By)
Instead of liquor and pills, and dirt roads, and cheap wine

Damn it, I done made a killin' off of speakin' my truth
Got me all up in my feelings from the shit that you do
My tears are fallin' like the ceilin' on this old tin roof
But the storm ain't startin' (Mm, yeah)

Yeah, last call, I spent a check, hit the throttle (Throttle)
Damn, some bitches are fucked up and hollow
Found cold women, don't drown in a bottle
When I wake up, they're gonna be there tomorrow
That's just the way that it goes (Goes)
I try to hold back, but I'm losin' control ('Trol)
The whiskey, she's burnin' a hole through my soul and I'm cold now

Well damn it, I done made a killin' off of speakin' my truth
Got me all up in my feelings from the shit that you do
My tears are fallin' like the ceilin' on this old tin roof
