

For You

Jay Wheeler

Yeah-yeah

Yeah-yeah

Eh

Hey love I remember you, did you forget about me (Yeah)
To be straight up your love really changed who I used to be
But that's another story
And I don't want another sorry
You say you're doing better, but you're not as far as I can see
(Yeah)

I blame it all on you, uh-uh-uh-uh-uh-uh, uh-uh-uh-uh-uh-uh
I blame it all on you, uh-uh-uh-uh-uh-uh, uh-uh-uh-uh-uh-uh-uh-uh,
uh, eh

I never know now when love is real
You used to lie to me, now how you feel?
I let you go, but you never will
When it came to us I was the one who kept it real, oh
Love letters, movie nights (Movie nights)
Time flies, put my love on three flights (Three flights)
Without you, everything's so right
The day you left me

I blame it all on you (On you)
You, you, you, you (You, you)
I blame it all on you (On you)
You, you, you, you

I blame it all on you, uh-uh-uh-uh-uh-uh, uh-uh-uh-uh-uh-uh-uh
I blame it all on you, uh-uh-uh-uh-uh-uh, uh-uh-uh-uh-uh-uh-uh-uh-uh,
uh, eh

Uh-uh-uh-uh-uh-uh, uh-uh-uh-uh-uh-uh
Uh-uh-uh-uh-uh-uh, uh-uh-uh-uh-uh-uh-uh, eh
