Jay-Z

Roc-a-fella records  
The imperial Skateboard P  
Great Hova  
Y'all already know what it is (Oh Shit!)

C'mon!

[Verse 1]

Yeah

So what if you flip a couple words  
I could triple that in birds  
open your mind you see the circus in the sky  
I'm Ringling brothers Barnum and Bailey with the pies  
No matter how you slice it I'm your motherfucking guy  
Just like a B-Boy with 360 waves  
Do the same with the pot, still come back beige.  
Whether right or south paw, whether powder the jar  
Whip it around, it still comes back hard.  
So easily do I w-h-i-p  
My repetition with wrists will bring you kilo biggers.  
I got creole C.O. bitches for my niggas who slipped, became prisoners  
Trees taped to the visitors  
You already know what the business is  
Unnecessary commissary, boy we live this shit  
Niggas wanna bring the 80s back  
It's OK with me, that's where they made me at  
Except I don't write on the wall  
I write my name in the history books, hustling in the hall (hustling in the  
hall)  
Nah, I don't spin on my head  
I spin work in the pots so I can spend my bread

[Chorus (Pharrell):]

And I'm getting it, I'm getting it  
I ain't talking about it, I'm living it  
I'm getting it, straight getting it  
Ge-ge-ge-get get get it boy  
(Don't waste you time, fighting the life stay your course, and you'll unders  
tand)  
Get it boy

[Verse]

It's '87 state of mind that I'm in (mind that I'm in)  
In my prime, so for that time, I'm Rakim (I'm Rakim)  
If it wasn't for the crime that I was in  
But I wouldn't be the guy whose rhymes it is that I'm in (that I'm in)  
No pain, no profit, P I repeat if you show me where the pot is (pot is)  
Cherry M3's with the top back (top back)  
Red and green G's all on my hat  
North beach leathers, matching Gucci sweater  
Gucci sneaks on to keep my outfit together  
Whatever, hundred for the diamond chain  
Can't you tell that I came from the dope game  
Blame Reagan for making me into a monster  
Blame Oliver North and Iran-Contra  
I ran contraband that they sponsored  
Before this rhyming stuff we was in concert

[Chorus (Pharrell)]

[Verse 3]

Push (push) money over broads, you got it, fuck Bush

Chef (chef), guess what I cooked

Baked a lot of bread and kept it off the books

Rockstar, look, way before the bars my picture was getting took

Feds, they like wack rappers, tried as they may, couldn't get me on the hook

D.A. wanna indict me

Cause fish scales in my veins like a pisces

The Pyrex pot, rolled up my sleeves

Turn one into two like a Siamese

Twin when it end, I'm a stand as a man never dying on my knees

Last of a dying breed, so let the champagne pop

I partied for a while now I'm back to the block

[Chorus (Pharrell)]
