

# Crown

Jay-Z

[Intro: Sizzla]

They can't keep a gooda man down  
Always keep a smile when they want me to frowns  
Keep the vibes and they stood my grounds  
They will never ever take my crown  
Who Jah bless I say no man curse  
Things gettin' better when they thought it would be worse  
Here comes the officers askin' for a search  
They found no weapon just only a draw of herbs

[Verse 1: Jay-Z]

You in the presence of a king  
Scratch that, you in the presence of a God  
Put in the belly of the beast  
I escaped, a nigga never had a job  
Scott Boras, you over baby  
Robinson Cano, you coming with me  
These niggas is like rotary phones  
It's a new day, hit up KD  
Niggas always try to knock a nigga down  
Knock me to my knees about a million times  
Uncle said I'll never sell a million records  
I sold a million records like a million times  
These niggas shouldn't let me in  
I ball so hard on ESPN  
See my name come across on CNN  
'Bout 6 minutes, you gonna see it again  
'Bout 6 minutes, you gonna see me again

[Hook 2x: Travi\$ Scott]

Shit on me  
These niggas tried to shit on me  
I was left for dead  
They tried to wipe me out of your history

[Verse 2: Jay-Z]

Bulletproof glass, glass roof like the Pope  
Bulletproof love, Niggas down since the yolk  
Bitch asked if I was God  
Fuck I'm supposed to say, "no"  
You already seen me turn a man to a G.O.A.T.  
You already know what I could do with the coke  
Drop it in the water, made it disappear  
I made it reappear, I had that bitch on a rope  
I make my roof get ghost  
Bottom grill, I make my tooth get gold  
All the shit did, I wasn't supposed to live  
Hallelujah Hov  
Wasn't for the 'caine wouldn't be able  
Wasn't for the bread, probably be dead  
Best friends become ya enemies  
Niggas' knives are double-edged

[Hook 2x]
