

# D.O.A. (Death of Auto-Tune)

Jay-Z

[Chorus]

Only rapper to re-write history without a pen  
No ID on the track let the story begin, begin, begin

[Verse 1]

This is anti autotune, death of the ringtone,  
This ain't for iTunes, this ain't for sing alongs  
This is Sinatra at the opera, bring a blonde  
Preferably with a fat ass who can sing a song  
Wrong, this ain't politically correct  
This might offend my political connects  
My raps don't have melodies  
This should make niggas wanna go and commit felonies  
Get your chain tooken  
I may do it myself, I'm so Brooklyn  
I know we facing a recession  
But the music y'all making going make it the great depression  
All y'all lack aggression  
Put your skirt back down, grow a set man  
Nigga this shit violent  
This is death of autotune, moment of silence

[Chorus]

[Verse 2]

This ain't a number one record  
This is practically assault with a deadly weapon  
I made it just for Flex and...  
... Mister Cee, I want niggas to feel threatened  
Stop your bloodclot crying  
The kid, the dog, everybody dying, no lying  
You niggas' jeans too tight  
You colors too bright, your voice too light  
I might wear black for a year straight  
I might bring back Versace shades  
This ain't for z100  
Ye told me to kill y'all to keep it 1 hundred  
This is for Hot 97  
This shit's for Clue, for Khaled, for we the best in  
Nigga this shit violent  
Death of autotune, moment of silence

[Chorus]

[Verse 3]

This shit need a verse from Jeezy  
I might send this to the mixtape Weezy  
Get somebody from BMF to talk on this  
Give this to a blood, let a crip walk on it  
Fifty thou' to style on this  
I just don't need nobody to smile on this  
You niggas singing too much  
Get back to rap you t-paining too much  
I'm a multi-millionaire  
So how is it I'm still the hardest here  
I don't be in the project hallway talking about how I be in the project all day

That sound stupid to me  
If you a gangsta this is how you prove it to me  
Nigga just get violent  
This is death of autotune moment of silence
