Jay-Z

[Intro]

Have you ever been to heaven  
Have you ever seen the gates  
Have you bow down to your highness  
And do you know how heaven taste  
Lie me down  
Have you ever been to heaven  
Have you ever seen the gates  
Have you bow down to your highness  
And do you know how heaven taste  
Lie me down

[Verse 1]

Arm leg  
Leg arm head  
This god body  
Knowledge wisdom freedom understanding  
We just want our equality Food clothing shelter  
Help a... find some peace  
Happiness for a gangsta ain't no love in the streets  
Conspiracy theorist screaming  
Illuminati  
They can't believe this much skill is in the human body  
He'S 6'2 how the fuck he fit in a new Bugatti  
Aw... it you got me  
Question religion  
Question it all  
Question existence  
Until them questions are solved  
Meanwhile this heretic  
I be out in Marrakesh  
Morocco...  
With my fellowship  
Y'all dwell on ?  
I'm in a Diablo Yellow...  
Color of a Jello-O...  
Hello...  
It's me again  
Fresh in my Easter clothes  
Feeling like... and

[Hook]

That's me in the corner  
That's me in the spotlight  
Losing my religion  
That's me in the corner  
That's me in the spotlight  
Losing my religion

[Verse 2]

Getting ghost in the Ghost  
Can you see me  
Can you see me  
Have mercy on a Judas  
Angels wings on a 'ghnini  
I'm...  
Secular tell the hecklers

Seckle down  
Y'all religion creates division  
Like my Maybach partition n  
...is my chauffeur  
Boy hey loves Hova  
From the south side of Chi  
To Brooklyn where I grewed up I confess  
...in the flesh  
Live among  
The serpents  
Turn arenas into churches  
I'm like Michael recycle these are not 16s  
These are verses from...  
Tell the preacher he's a preacher  
I'm a... prophet... a tree of knowledge  
Drink from a gold chalice  
You gotta love it  
I arrive at pearly gates  
I had luggage  
Meaning I had baggage  
...asking me questions  
I don't answer to these busters  
Only... could judge us...

[Hook]
