(the giant..) So I got the WHOLE rap world on my shoulder they tryin to see further than I am.. (than I am..) And I have been tryin to be patient with they preoccupation with David and Goliath.. (Goliath..) But sooner or later, that patience gonna run it's course and I'm forced to be a tyrant.. (be a tyrant..) Jeah, jeah Can't touch the untouchable, break the unbreakable Shake the unshakeable (it's Hovi baby) Can't see the unseeable, reach the unreachable Do the impossible (it's Hovi baby) Can't move the unmoveable, stop the unstoppable.. [Jay-Z] Jeah, look I'm so far ahead of my time, I'm bout to start another life Look behind you, I'm bout to pass you twice Back to the future and gotta slow up for the present I'm fast, niggaz can't get past my past How they propose to deal with my perfect present? When I unwrap "The Gift & the Curse" in one session Ain't no livin person can test him Only two restin in heaven can be mentioned in the same breath as him Seven straight summers, critics might not admit it But nobody in rap did it, quite like I did it If you did it I done it before, you get I had it

Got mad at it and don't want it no more
And that goes for everything from flippin that raw
Flippin whores, flippin vocal chords, don't get it twisted
Get it right, did different, did it better, did it nice
Did the impossible then did it twice (get it right)

[Chorus]
