

Ignorant Shit

Jay-Z

Yessir!

Just the sound of his voice is a hit!
Ya'll niggas got me really confused out there
I make "Big Pimpin" or "Give It 2 Me", one of those...
Ya'll hail me as the greatest writer of the 21st Century
I make some thought-provoking shit
Ya'll question whether he falling off
I'ma really confuse ya'll on this one
Follow....

When them tops come down, chicks tops come down
Like when them shots come out make cops come around
When the blocks come out I can wake up a small town
Finish off the block then I make my mall rounds
When them stares get exchanged then the 5th come out
The tough guy disappears then the bitch come out
"That's him" -I'm usually what they whisper about
Either what chick he with, or his chip amount
Cause I been doing this since CHIPS was out
Watchin' Erik Estrada baggin' up at the Ramada
Table full of powder, AC Broke
'Bout to take another shower on my 25th hour
Spike Lee's everywhere, game or the flight
You might see me anywhere, day in the life
Only thing changed the tail number on the flight
I can touch down and take off the same night

I'm so bossy
Bitch get off me
Trick get off me
You cant get shit off me
I'm so flossy
No 6-exhaust breeze
laid back, Maybach's
Don't even talk to me!

This is that ignorant shit you like
Nigga, fuck, shit, ass, bitch, trick, plus ice
C'mon, I got that ignorant shit you love
Nigga, fuck, shit, maricon, puta, and drugs
C'mon, I got that ignorant shit you need
Nigga, fuck, shit, ass, bitch, trick plus weed
I'm only trying to give you what you want
Nigga, fuck, shit, ass, bitch, you like it don't front

They're all actors
Looking at themselves in the mirror backwards
Can't even face themselves, don't fear no rappers
They're all weirdos, DeNiro's in Practice
So don't believe everything your earlobe captures
Its mostly backwards
Unless it happens to be as accurate as me
And everything said in song you happen to see
Then actually, believe half of what you see
None of what you hear even if its spat by me
And with that said, I will kill niggas dead
Cut niggas short, give you wheels for legs

Im a K-I- double -L-E-R
See ya'll in hell
Shoot niggas straight through the E.R.
Whoa- this ain't B.R., no
Its S.C., C.E.O., the next Lyor?
No, the next leader of the whole free world
And the first thing i'ma do is free Sigel, GO!

Take off the cuffs, unlock the gate
Its that ignorant nigga that you love to hate
The '07 Ice Cube, B. Sig so rude
Tell a trick, get these nuts, eat dick like food
Now see if I care if this verse get aired
Even if you mute it the curse is there, yeah
I'm so raunchy, bitch get off me
Keep my flea collar on, you lil ticks get off me!

I missed the part where it stopped being about Imus
What do my lyrics got to do with this SHIT?
SCARFACE the movie did more than Scarface the rapper to me
Still that ain't the blame for all the shit that's happened to me
Are you saying what I'm spitting,
Is worse than these celebutantes showin' they kitten, you kidding?
Lets stop the bullshittin'
Til' we all without sin, let's quit the pulpit-ing
SCARFACE the movie did more than Scarface the rapper to me
Still that ain't the blame for all the shit that's happened to me
Lets stop the bullshittin'
Til' we all without sin, let's quit the pulpit-ing, c'mon!

This is that ignorant shit you like
