

# Shake Ya Body

Jay-Z

[R] Uh-huh, uh-huh, uh-huh, uh-huh

[Chorus: R. Kelly + (Lil' Kim)]

Uh-huh (shake ya body body, move ya body body)  
Uh-huh (twist ya body body, switch ya body body)  
Uh-huh (dip ya body body, work ya body body)  
Uh-huh (any-body body, every-body body)

[R. Kelly]

Pub-o, drank-o, 'dro plus the Bev-o  
Hands in the air-o, holla like echo  
Tone's in the dub with, Momo and Poke-o  
Tone be like Kujo, I be like Cecil  
Fists rockin like "ADRIIIAN!"  
We come through like "Superfriends!"  
Tick-tock, tick-tock, it's six o'clock  
And the party won't stop, bout to hit the IHOP  
Got twenty inch mirrors rollin under the drop  
So clap that shit up y'all and make it hot

[Chorus]

[R. Kelly]

New York, Chicago, Atlanta, L.A.  
Miami crazy like yippie-i-yae  
Rude boys in the club smokin on hay  
Smoke the (?) weed, Cali and the Bay  
Real live niggaz - put y'all hands up  
Wanna get tossed - drink that liquor  
Who's got the industry locked - Kelly and Jigga  
Crack my skull - turn that shit up

[Chorus]

[R. Kelly]

We got honies everywhere  
Corks off the Cris' poppin everywhere  
Partyin hard like we just don't care  
The best of both worlds, that shit ain't fair

[Jay-Z]

This shit ain't fair  
I, am, Jay, Hov'  
Mami shake ya body body, don't hurt no-body body  
It's me in the God-body, R. Kelly the John Gotti  
of R&B thug and me I would say I'm probably  
the hardest rapper to ever cop on poppy and  
put it in a song, ma how could you go wrong ha? ha? ha? ha?  
Worse than a armed robbery  
Know that I'm armed properly, whenever the arm's rocky  
You can go on clockin me, ain't nuttin gon' stop me  
High as Allah I be, movin in peace but I  
move with the piece, so them, dudes in the streets  
will never remove my piece, ha? ha?, got me  
Niggaz'll never get me, I never move sloppy  
Move with the glock-50, got some Tupac with me  
Let's not test my gangsta, just, raise your glasses

Mami, shake ya asses, this is a thug classic

[Lil' Kim]

Make a hole make a hole and let the Queen come past  
I come through in the speedboat, with 808's in the glass  
Push big things here, bet most of y'all crash  
Back to trainin lightweights, you in the wrong weight class  
Haters, stay awake, fuck the Harlem Shake  
We "Slam" dance like Onyx, check my ebonics  
You got, heat nigga you thinkin we won't blaze?  
Gotta come hard cause these are the last days  
When I, do it I do's it, ain't no more to it (word)  
Ask (?) I puts my back into it  
From car dealers to Macy's, to cashiers that brace me  
We train like the Navy for whatever the case may be  
I pass on the 6, they don't impress me much  
I want the bulletproof 7 cause the doors lift up  
They pick the best of all girls, so how y'all sound?  
I got the best of both worlds, holdin me down

[Chorus]

[R] Uh-huh!
