I fuck the most hoes out of New York State (STATE!)

I rock my jewels (JEWELS) I'm not a fool (FOOL!)

In the small of my back I got this big-ass tool (Ha hah!)

When I'm skatin through the city and I stop and kick it

Be the most asked question - how I got them digits?

I say I stay on my grind, never stop for bitches

Never talk like a mom, I gotta watch you snitches

And I stick to the script, that's my advice so life

Eat nigga, let it stick to your ribs

I seen niggaz go from handlin birds to ramblin words

to the man, seen a Sammy the Bull emerge on the stand

And it was all good just a week ago

We lost Todd E., but we still eatin though

For like a hundred weeks nigga, we gon' run the streets

til we reach Malik or the date of E's release

Peep Hova in a Jeep Rover, passin reefer over

to this freak, breathe mami this is good weed mami

Fuck a dirty bitch (yeah) man I roll with a sturdy click

Slide a bitch what? Slide a bitch shit
Slide a bitch dick, then I slide out a bitch shit
Ain't no time to stick around and play step pops
