

# Young Forever

Jay-Z

[Mr. Hudson]

Let's dance in style,  
Let's dance for a while,  
Heaven can wait we're only watching the skies  
Hoping for the best but expecting the worst,  
Are you gonna drop the bomb or not?  
Let us die young or let us live forever,  
We don't have the power but we never say never,  
Sitting in a sandpit,  
Life is a short trip,  
The music's for the sad man,

[Chorus]

Forever young,  
I wanna be forever young  
Do you really want to live forever?  
Forever and ever  
Forever young I wanna be  
Forever young  
Do you really want to live forever?  
Forever, forever

[Jay-Z]

So we live a life like a video  
When the sun is always out and you never get old  
And the champagne's always cold  
And the music is always good  
And the pretty girls just happen to stop by in the hood  
And they hop their pretty ass up on the hood of dat pretty ass car  
Without a wrinkle in today  
Cuz there is no tomorrow  
Just some picture perfect day  
To last a whole lifetime  
And it never ends  
Cos all we have to do is hit rewind  
So lets just stay in the moment, smoke some weed,  
Drink some wine,  
Reminisce talk some shit forever young is in your mind  
Leave a mark that can't erase neither space nor time  
So when the director yells cut,  
I'll be fine,  
I'm forever young...

[Chorus]

[Jay-Z]

Fear not when, fear not why,  
Fear not much while were alive,  
Life is for living not living up tight,  
See ya somewhere up in the sky,  
Fear not die, I'll be alive for a million years, bye bye,  
So not for legends, I'm forever young  
My name shall survive  
Through the darkest blocks, over kitchen stoves,  
Over Pyrex pots, my name shall be passed down to generations  
While debating up in barber shops, young slung, hung here,  
Shorty, the nigga from here

With a little ambition just what we can become here,  
And as the father passed his story down to his sons ears,  
Younger kid, younger every year, yeah  
So if you love me baby this is how you let me know.  
Don't ever let me go, thats how you let me know, baby,

[Chorus]

[Jay-Z]

Slamming Bentley doors,  
Hopping out of Porsche's,  
Popping up on Forbes lists,  
Gorgeous,  
Hold up,  
Niggas thought I lost it,  
They be talking bullshit  
I be talking more shit  
They nauseous,  
Hold up,  
I'll be here forever  
You know, I'm on my fall shit,  
And I ain't waiting for closure, I will never forfeit,  
Less than four bars,  
Guru bring the chorus in,  
Did you get the picture yet,  
I'm painting you a portrait of young...

[Chorus]
