

2 On 2

JAY1

Let me show you a thing or two
White girl, black girl like 2 on 2
Gyal said she love me, I'm like mhmhmh
If she back it on me, then I love her too
Man, I cock back then bark it
In the bedroom, that's carnage
Man, I cock back then bark it (Boom boom boom)
In the bedroom, that's carnage

44, my bruddas be looking jiggy
But if you try and mock it, then fuck it, it's getting sticky
Life switching and changing, I'm making Lizzy
I'm winning, no debating, you're hating, you're looking iffy
J-A-Y looking like hardest out
You mock the kid but tell me who's laughing now
She saw me live and started passing out
Man will pull up to the dance like what's the talk about
Uh, kick off the door, wave in the 44
Ask your gyal if she still want more
Big 44 no safety, rolling with Tracy
Mixed up Lauren with Stacy
Goons get gully gully, kick like Van Damme
Oochie wally wally, strap get bang bang blaow
Old school banger coming like pow
Pic gone viral, gyal are like wow

Let me show you a thing or two
White girl, black girl like 2 on 2
Gyal said she love me, I'm like mhmhmh
If she back it on me, then I love her too
Man, I cock back then bark it (Boom)
In the bedroom, that's carnage (Yeah)
Man, I cock back then bark it
In the bedroom, that's carnage

Yeah, small boy, you ain't nothing like my team
Quickly pull up to the scene, tell her bruk it in her jeans
I get it easy while you're looking for a bean
I walk into the place and make your baby mother freeze
Strike me a pose
I love the cars and I, I love the hoes
She love tweet tweet and snap snap, all on her phone
No Insta, I tap tap, and then I dove
Go bang and attack it, I call 'em striker
And if you're gassing and capping, I'll tell you bye, darg
Got a ting from Redding, yeah, that's my rider
That one post on the gram just made me sign off
Yo, I got gyal in the midlands, gyal in the west
Shaking her ass while I suck on her breast
Kayla, Stephanie, I'm with Jess
When she suck me, mhmhmh, that be the best

Let me show you a thing or two
White girl, black girl like 2 on 2

Ayy, baby, bruk up your waist right now
Don't be shy right now
That big back fucking with my mind right now
She don't even care if her man find out
