

Did it all properly
Gally stay on me
Living my dream
And I'm looking all bossy
Smoke one zoobie now I'm looking all zombie
Back that juice now I'm feeling all comfy

Feeling too comfy but I ain't laid back
If you wanna beef me then say that
I gotta mix race ting widda big back
I tell her come Coventry asap

Me let broski fight are you taking the piss your I'll crack
Hold 1 bang if you wanna try act bad
Live in the flesh we ain't doing up snap chat
Them boy there ain't really on shootings
No bootings but they wanna try rap bad
Yo yo who's that widda fat back
She a diamond ay neeshay bag that

Step in my cargos, beats like hargo
Shoot my shot so I gotta aim far
Got keys and dreams, surrounded by tees
And tees JP gotta break those bars
Humble clean, can't take the piss
You just sold those dreams like soul from Disney
Not serious cos bros too simpy
Serious I just told her link me

Ay fuck beef were vibing
15 just came in the monzo for a club show that's perfect timing
You was online doing up typing live in the flesh your nuttin but silent
More time I just wanna make paper fuck beefing I'm jugging not fightin
Get ps in I'm winning
And gliding

Tread on the track go long like Mo
Aeroplane mode I gotta make dough
No response, hustle and flow
Swag all black but my bird like crow
Swag all black you should see like raven
Eyes all glare when I stepped on the pavement
Big shows and I wanna see payments
Stack p I ain't talking bout wages

Big roley on my wrist that's normal
Just listened to your tape it's awful
Got hella love for girls from Enfield
Got hella love for girls from Walsall
Got hella girls from down under
Big nyash I told her shake her bumpy
Big Jay I make it rain no thunder
Everybody know Jay too turnt

Bop on the beat snap like Kodak
Working machine tune but show that
Puff like leaf coming like bojack

Throw back stack paper konan
Smoke that crow now I'm feeling wavey
Fooled yourself if you ever tried play me, crazy
Them man are fugazi nah them man don't faze me

Did it all properly
Gally stay on me
Living my dream
And I'm looking all bossy
Smoke one zoobie now I'm looking all zombie
Back that juice now I'm feeling all comfy

Feeling too comfy but I ain't laid back
If you wanna beef me then say that
