

Ay, ay
I'm getting so sick of these niggas
[?] just called me, we're making a story
We're busy counting all these figures
Im calm and so saucy, these people they bore me
I'm Michael Jackson with the thriller
These bitches are cray, they move like bay
They're steady breeding up a nigga
Ay, ay

Told that girl give uck and then vanish
Gave her the D now she's wanting a tour
I'm looking like Buckingham Palace
Like Jay1 looking like big 6 Pogba, run up slow then banged it
6 girls on my hotline, that's a madness
3 girls wanna come thru, no hat-trick
And you was going city to city, but you never even hollered at Jay
I was in the studio putting that work, on my fucking life I ain't playing no games
And I ain't got prick on my forehead so I can never get bucked by the main
And that girl said that I'm trash, so why you still on my page?
And that girl there with the back looked penh so I gave her a 20 day trial
Update her on the 15th day, and I told her straight I was looking like Miles
But I ended the trap with a smile, never again
Try make it a title
How you gonna talk about Jay's not good, when I praise the lord and read my
