Look, it's the end of discussion
Talk-talk-talk on my name that's nothing
Don't talk back cah the money keeps doubling
I-I got two bad Bs from Tottenham
Brown and sexy looking like problems (Problems)
You could never try fuck with the kid
Cah the boy too slick, get bands in abundance

Look, tell-tell-tell a sweet one come fuck with the bosses
I remember back in the day I wasn't making papes I was taking losses
Now I step on stage with D, if I scream my name they're making a moshpit
Don't talk like you're bad, bro, stop it
Ten for the coat, man copped it
Co-co-come a long way from bandos
Look at my bank roll, P, man stack that
And everybody knows my type
I love me a slim brown ting with a fat back
I don't know why man try act bad
All for the Snapchat, bro, you're a madman
Young kick to the face like Van Damme
Album 2021 soon land land (Album 2021 soon)

Look, T.O.P., tell a sweet one come T.O.P.
I'm the hottest out of my city
Came straight up from the C.O.V.
Bro still duck from the C.I.D.
Bad Bs don't say B.R.B.
I could never bring her to the crib
Gotta shout my bro for the C.R.B.
All of my guys are ballers, shot callers
We don't wanna do talk
And she said men are trash
All that talk, you're still in my car
Uptown, man's living it large
She ain't ever seen top floor in the Shard
Like Ferdi, got her coming fast
Arch her back up in Marble Arch

Look, it's the end of discussion
Talk-talk-talk on my name that's nothing
