Gully

JAY1

You can try your best, you ain't gully like me
There's no one in my city making money like me
Starboy Jay, who's lucky like me?
You can't pull up to the place and make it jumpy like me
You can try your best, you ain't gully like me
There's no one in my city making money like me
Starboy Jay, who's lucky like me?
You can't pull up to the place and make it jumpy like me
Jumpy like me
You can't pull up to the place and make it jumpy like me
Jumpy like me
You can't pull up to the place and make it jumpy like me

Making money-money, I ain't dealing with the pasa
If I'm linking Nyge I'm defo cooking up a banger
Talk to us correctly bro, I beg you mind your manner
You ain't making money, you a capper-capper
Can't flex with a jigga like me
How you dickheads getting pied from the bitches I beat?
Kick back and I bun up my trees
Silly-silly niggas got me kissing my teeth
Her body looking maza like oh my days
When I'm drinking Henny I don't know my ways
I'm chilling with a baddie, I don't know her name
I got liquor in my cup, I told her, "Hold this wave"

You can try your best, you ain't gully like me
There's no one in my city making money like me
Starboy Jay, who's lucky like me?
You can't pull up to the place and make it jumpy like me
Jumpy like me
You can't pull up to the place and make it jumpy like me
Jumpy like me
You can't pull up to the place and make it jumpy like me

I'm getting money and I get it all day
Stack up my money always
You'll be in trouble if you get in my face
Big JAY1, I stay paid, pussy

You can try your best, you ain't gully like me
There's no one in my city making money like me
Starboy Jay, who's lucky like me?
You can't pull up to the place and make it jumpy like me
Jumpy like me
You can't pull up to the place and make it jumpy like me
Jumpy like me
You can't pull up to the place and make it jumpy like me
