You didn't wanna fuck with boy back in 017
Cos the cash wasn't hefty
Now I kick back clean with the bro
With two tings' looking like Keisha Becky
Got a sweet one
Thick and friendly
Brown and boujie
Leng and sexy
It's fucking mess g
Blow out the back now
Now I'm on to the bestie
I got a thing for cash in the bank
I shutdown the show that's cash in the bank
Everybody thought your boy went ghost
Till I step out the mist
Now I'm back with a bang
None of you boys actually bad
Just act for the gram
And it's actually sad
One wave to the world and back
If I'm making a bag
Then I'm splitting it with Squady
Bowl too hard, too bossy
Fuck an escort never paid for a prossy
I got a pretty one that wanna bounce on my cocky
She a little one
I told her to wait in the lobby
Young 3-5 in a whip man burn that
Quit then it's back to the bits

I put like 50 down on my whip
Them boys spend 50 grand on thick
